

NATIONAL SUN YAT-SEN UNIVERSITY

Department of Chemistry Regulations for Awarding Excellent Teaching Assistants

Issued by the 3rd Academic Committee Meeting on March 25, 2010, School Year 98.

Approved by the 6th Department General Meeting on April 20, 2010, School Year 98.

Amended and approved by the 5th Department General Meeting on March 21, 2014, School Year 102.

- I. Purpose: The present set of regulations is specifically issued by the department for encouraging teaching assistants with excellent performances to manifest their teaching enthusiasm and skills and to improve teaching quality of teaching assistants in conjunction with selection of excellent teaching assistants by the university.
- II. Selection Procedure and Awards:
 - A. Each faculty member, who is in charge of teaching experiments, may recommend one teaching assistant of an experiment as a candidate for excellent teaching assistant selection of the university during selection periods (two to four candidates may be recommended for each general chemistry experiment).
 - B. The Academic Committee shall examine written reports of candidates and recommend one excellent assistant candidate to the College of Science to participate in excellent teaching assistant selection of the university.
 - C. Other candidates, who are reviewed and approved by the Academic Committee, are each awarded with NT\$ 2,000 and one award certificate by the department.
 - D. The candidates, who are recommended to College of Science but not awarded by the university, will be awarded with prizes and award certificate in accordance with awarding procedure of the department.
